

Hello from all of us at Central Georgia VN!
We are all so excited that you have chosen to take this journey to deepen and strengthen your relationship with Christ! We are praying that you open up your hearts to the work that God is trying to accomplish on this VN weekend and the life changes that He is making beyond your time on the campground.

We know that these weekends can be full of emotions, and we are continuing to pray that you are trusting Him to make something beautiful out of your time spent here. These weekends are short and always leave you wanting more so we hope that after the weekend you continue to have a heart on fire for God and that you never stop chasing after Him and the goodness that he brings!

We know that God has some pretty amazing things in store for you on this VN weekend and we can't wait to see where He takes you in this incredible journey.

Always trust that the things that you have gone through and all the things that you will go through have a purpose and that God has a plan for every aspect of your life. He will never leave, all He desires is your trust in him (Jeremiah 29:11).

Sincerely,

CGVN Council Members
